2. In the first box, please type your password. Passwords must be at least 4 characters long, and no more than 10 characters long. Repeat the same password in the second box.

You may check the “Show the passwords” box to make sure both fields match.

Click Set.

The screenshot displays the MyRSU website interface. At the top left is the MyRSU logo. A dark blue navigation bar contains the links: Home, RSU Jobs, Class Schedule, and Admissions. Below the navigation bar, a breadcrumb trail reads "You are here: Home > Home". A dropdown menu is open on the left, listing various support and information links. The main content area is titled "Login - Set password" and features a "Set password" heading. A red asterisk indicates a required field. Below the heading, a message states: "The new password you choose must be between 4 and 10 characters long." There are two input fields: "New password:" and "Confirm new password:". A checkbox labeled "Show the passwords" is positioned to the right of the first input field. A dark blue "Set" button is located at the bottom of the form.
